Re: Technical Concept Holdings LLC v. William Yeme
Index No. 09 CIV 3168

Dear Judge Crotty:

We represent defendant in this matter. We write to Your Honor to request a 15 day extension of time (or until June 23, 2009) for defendant to serve a response pursuant to Rule 12, Federal Rules of Civil Procedure. This is defendant's third request for an extension of such time. Defendant's response to the complaint was originally due on April 29, 2009 and is now due June 8, 2009. Your Honor granted our first and second requests for an extension. We are making this extraordinary request because of settlement discussions that are taking place and because we may be able to resolve this matter.

This case involves claims being made as a result of a prior employment relationship. The complaint was filed under seal. Mr. Bannon, defense counsel, and I spoke at length earlier today about a letter I had sent to him. We believe that there may be a solution (alternative) to litigation but that must be reviewed with clients, details worked out and then memorialized. Our client resides in London so there will be some communication delays. We will endeavor to accomplish that as soon as possible but it is unlikely that we will be able to conclude this before Monday, June 8, 2009. For this reason, two additional weeks are requested to either resolve this matter or respond under Federal Rule 12.
